Horizontal 595 mm double medical arm for monitoring. 5" plate adaptation Of Quick Release, table column mounting. Mindray monitoring compatible.

This dual 595 mm Horizontal Arm allows the monitor to be fixed, oriented and adjusted perfectly. It is coated with an anti-microbial agent for hygiene and cleaning down to the smallest detail. Its modern design has been specially developed for healthcare environments.

Technical specifications:

- * Integral cable management
- * For heavy-duty applications
- * Optional table column mounting available in a range of heights (500 - 300 mm). These columns can be easily cut to size. All cables are also routed through the column (see options on following pages)
- * This 595 mm Double Horizontal Arm simply slides into the column rail, adjusts to the required height and is fixed in place. It has no height adjustment
- * The head of this arm complies with the mounting standard for Mindray monitors weighing up to 18 Kg.
- * Monitor tilt: 16° down and 20° up
- * Monitor rotation: 115° right, 115° left.
- * Arm rotation: 90° right, 90° left.
- * Total length: 618 mm
- * Colour: RAL 5013 cobalt blue and RAL 9016 traffic white
- * Warranty: 5 years

Horizontal 595 mm double medical arm for monitoring. 5" plate adaptation Of Quick Release, table column mounting. Mindray monitoring compatible.

- Monitor fitting:** 5" Plunge plate of Quick Release
- Colour:** Decorative parts: RAL 5013 cobalt blue
- Aluminium parts:** RAL 9016 traffic white
- Max. load capacity of support arm:** 18 kg
- Monitor fitting max. load:** 18 Kg
- Product weight:** 3,1 Kg

Product strengths:

Non-height-adjustable arm. Swivel arms and extended swivel arms offer full cable integration and easy cleaning for infection control in all critical care areas of the clinical environment. Our 5-year guarantee ensures reliable, trouble-free and maintenance-free operation. The swivel function at the point of attachment and the tilt and swivel function of the monitor adaptation provide optimum positioning of your unit. The extended swivel arm is a two-part arm with a central pivot point between the two arm sections. All bottom-mounted monitors have the safety feature of a 20° tilt stop.

Installation information - Column slide rail

Part Number: WM 250.108CTMD

Horizontal 595 mm double medical arm for monitoring. 5" plate adaptation Of Quick Release, table column mounting. Mindray monitoring compatible.
