Points forts du produit:
Non-height adjustable arm. The extended swivel arms and swivel arms provide full cable integration and easy cleaning for infection control in all ICU areas of the clinical environment. Our 5-year warranty guarantees reliable, trouble-free and maintenance-free operation. The swivel function at the attachment point as well as the tilt and swivel function of the monitor adapter provide optimal positioning of your device. The extended swing arm is a two-part arm with a central pivot point between the two sections of the arm. All bottom-mounted monitors have the safety function of a 20° tilt stop.
