Product Highlights:

Height adjustable arms offer full cable integration and easy cleaning for infection control in all critical care areas of the clinical environment. Our 5-year warranty ensures reliable, trouble-free and maintenance-free operation. The swivel function at the point of attachment as well as the tilt and swivel function of the monitor adaptation offer optimal positioning of your device. The height-adjustable arm in its extended version is a two-part arm with a central pivot point between the two arm sections. All bottom mounted monitors have the safety feature of a 20° tilt stop.

Considered to be the world's best in advanced hygiene control, our medical mounting systems include cable integration, a 5-year maintenance-free warranty and medical grade compliance. We're simply the best in the world at what we do.
