Part Number: WM 260.104

2 x 300 mm swivelling Horizontal Medical Arm for Monitoring Philips Intellivue Séries (light applications up to 8 Kg), floor or ceiling column mounting.

Cette colonne possède deux rails de fixation pour les différents éléments qui y seront fixés. (1 rail à l'avant de la colonne, 1 rail à l'arrière)

This column has two fixing rails for the different elements that will be fixed to it (1 rail at the front of the column, 1 rail at the back)

Deze zuil heeft twee bevestigingsrails voor de verschillende elementen die eraan bevestigd zullen worden (1 rail aan de voorkant van de zuil, 1 rail aan de achterkant)

2 x 300 mm swivelling Horizontal Medical Arm for Monitoring Philips Intellivue Séries (light applications up to 8 Kg), floor or ceiling column mounting.

This dual 591 mm Horizontal Arm allows the monitor to be fixed, oriented and adjusted perfectly. It is coated with an anti-microbial agent for hygiene and cleaning down to the smallest detail. Its modern design has been specially developed for healthcare environments.

Technical specifications:

- * Integral cable entry * Lightweight application
- * Optional floor or ceiling column mounting, with several heights available (1500 - 2000 mm). These columns can be easily cut to size. All cables also pass through the column (see option on following pages)
- * This 591 mm Horizontal Arm simply slides into the column rail, then adjusts to the required height and locks in place. It has no height adjustment
- * The head of this arm complies with the mounting standard for Philips Intellivue Series monitors weighing up to 8 Kg.
- * Monitor tilt: 20° down and 12° up
- * Monitor rotation: 115° right, 115° left.
- * Arm rotation: 105° right, 105° left. * Total length 615 mm * Colour RAL 5013 cobalt blue and RAL 9016 traffic white
- * Warranty: 5 years

2 x 300 mm swivelling Horizontal Medical Arm for Monitoring Philips Intellivue Séries (light applications up to 8 Kg), floor or ceiling column mounting.

Monitor fitting: Philips Intellivue Series
Color: Decorative parts: RAL 5013 cobalt blue
 Aluminium parts: RAL 9016 traffic white
Max. load capacity of support arm: 8 kg Monitor
fitting max. load: 8 Kg
Product weight: 2,8 Kg

Product strengths:

Non-height-adjustable arm. Swivel arms and extended swivel arms offer full cable integration and easy cleaning for infection control in all critical care areas of the clinical environment. Our 5-year guarantee ensures reliable, trouble-free and maintenance-free operation. The swivel function at the point of attachment and the tilt and swivel function of the monitor adaptation provide optimum positioning of your unit. The extended swivel arm is a two-part arm with a central pivot point between the two arm sections. All bottom-mounted monitors have the safety feature of a 20° tilt stop.

Installation information - Column slide rail

Part Number: WM 260.104

2 x 300 mm swivelling Horizontal Medical Arm for Monitoring Philips Intellivue Séries (light applications up to 8 Kg), floor or ceiling column mounting.

Floor or ceiling column:

To install this medical arm, you need to use one of our medical columns. These are available in standard heights of 1500 and 2000 mm. Custom heights are available on request. Slide covers and end caps are supplied with every order.
