**363 mm Horizontal Medical Arm for monitoring Philips Intellivue Séries, Mounting on Mindray Medical Supply Device.**

- Monitor fitting:** Philips Intellivue Series
- Colour:** Decorative parts: RAL 5013 cobalt blue
- Aluminium parts:** RAL 9016 traffic white
- Max. load capacity of support arm:** 18 kg
- Monitor fitting max. load:** 18 Kg
- Product weight:** 1,9 Kg

**Product strengths:**

Non-height-adjustable arm. Swivel arms and extended swivel arms offer full cable integration and easy cleaning for infection control in all critical care areas of the clinical environment. Our 5-year guarantee ensures reliable, trouble-free and maintenance-free operation. The swivel function at the point of attachment and the tilt and swivel function of the monitor adaptation provide optimum positioning of your unit. The extended swivel arm is a two-part arm with a central pivot point between the two arm sections. All bottom-mounted monitors have the safety feature of a 20° tilt stop.
